

**TURKISH REPUBLIC
KONYA GOVERNORSHIP
CULTURE AND TOURISM DIRECTORATE
THE PARTICIPATION CONDITIONS OF
3rd INTERNATIONAL PHOTOGRAPHY COMPETITION OF 2009**

SUBJECT OF COMPETITION:

1. RELIGIONS IN THE WORLD
2. WORKING AND PRODUCING PEOPLE

PURPOSE OF COMPETITION:

a. Human beings always needed and believed to a power to trust and felt themselves in confidence under that power. During the centuries, fire, water, sun, mountains, totems gave to people a spiritual support. Today, communities are still looking for trust under different believings. We want to see different and colorful views of these differences. In the sentence of big philosopher Mevlana, which he told the tolarate,

***"Come, come again, whoever you are, come!
Heathen, fire worshipper or idolatrous, come!
Come even if you broke your penitence a hundred times,
Ours is the portal of hope, come as you are."***

We want to collect different traditions of all believings in the world with all details; temples, curches, mosques, totems, religional symbols, patterns, religional ceremonies, religional festivals, traditions, praying forms, religional vows, religion men, prayings, religional musics, dances... Everything belong to religion...

b. At the second section "Working and Producing People", the subjects are people at the work, people who produce something with their effort, their troubles, their struggles, and their happiness. We are waiting for your photos which are product of your heart and your spirit.

One of the holy things in all beliefs is to work and to produce. To produce something make people valuable. We hope your attendance with your photos about work, effort and production which consist new feelings and ideas.

With our best wishes.
